Madeleyne, also known as Maddie, is double majoring in Business Administration and Psychology with a specialization in Marketing. She is currently working on-campus, but her dream is to have her own business when she's done with school. Maddie joined DECA her first year in college and since then has been very active and involved in DECA. She has been a member of DECA for two years, last year qualifying for nationals in the International Marketing event. Her role model would always be her dad. Her favorite color is purple and she loves both coffee and music. Maddie has one brother who is also studying at Mayville State University and a new member of DECA. Her parents, two sisters, her niece and her dog named Oliver are all living in Honduras. She is bilingual (English, Spanish) and she is excited to serve as state vice-president at the collegiate level for North Dakota. She wants to meet new people and help new members of DECA to enjoy and understand DECA!
