ND DECA

NOVEMBER NEWSLETTER

State Officer Welcome

Welcome to ND DECA newsletter! Each month, we'll highlight exciting opportunities, celebrate our chapters and members, and share ways to make the most of your DECA experience as we become The Next Big Thing. Personally, I'm incredibly excited for my third year in DECA and even more excited to serve as your North Dakota DECA State VP of Marketing. DECA has given me so many opportunities to grow my confidence, build real-world skills, and create memories that I'll carry with me beyond high school. Outside of DECA, I'm involved in Student Council, NHS, and Track. Looking ahead, I plan to study Poli-Sci in college before attending law school and pursuing a career in corporate law. I'm so excited for everything this DECA year has in store, and I can't wait to connect with, support, and uplift members and chapters across North Dakota.

Reminders

Starting your prepared projects early in the season is one of the best ways to set yourself up for success this DECA season. When you start your project early, you have time to brainstorm stronger ideas and revise your work until it's competition ready. It also allows for plenty of time to practice your presentation before SCDC.

Chapter Campagins

Chapter Campaigns are an opportunity for members to make a meaningful impact within their schools and communities while developing leadership, marketing, and communication skills. Through promotional, community service, and membership campaigns, chapters can engage members, strengthen school spirit, and raise awareness about DECA's mission. These campaigns encourage creativity and collaboration as members work together to plan events, support local causes, and grow their chapter. In addition to making a positive impact, participation in Chapter Campaigns can help members work toward earning qualifications for Thrive Academy at ICDC. For specific information and details regarding Chapter Campaigns, all information can be found at deca.org/campaigns..

Get Ready for Ultimate Power Trip

The Ultimate DECA Power Trip is a national conference that helps high school DECA members develop their leadership, communication, and career skills. Students participate in interactive learning sessions, practice their role-play skills, explore college and career opportunities, and network with DECA members from across the country. Two of your North Dakota DECA state officers, Grace Bugbee and Arley Garrison, will be in attendance, along with over 30 North Dakota DECA members! This conference is a great opportunity for students to build confidence, gain new experiences, and connect what they learn in the classroom to real-world business situations.

Tips and Tricks - Following through with program of work

- Communication
  - Communicate to your chapter clearly what you want done, how you want it done, when you want it done.
- Assign tasks
  - Assign tasks within your chapter to help complete your activities
- Celebrate your accomplishments
  - Recognize the people in your chapter who have helped you reach our goals.
- Stay flexible
  - If something comes up in your schedule and you aren't able to to complete your goal, do not stress about it. Life happens and you can always readjust your schedule and goals.
